

Arise

Words and Music by Benjamin Johnson ©2010

Verse 1

We have waited so long
For our redemption to come
For the day when you will split the sky
When the trumpet will sound
And our feet leave the ground
As you call us to you with this cry

Chorus

Arise my darling, my beautiful one
Come with me, see, the winter is past
The rains are over and gone
The flowers appear on the earth
The season of singing has come
So arise my love

Verse 2

Though we don't know the time
The day nor the hour
The season is already clear
So we watch and we wait
And we anticipate
Your return when we know we will hear
