

## **Beautiful Sound**

**Words & Music by Benjamin Johnson ©2010**

### *Verse 1*

Eight thirty PM, and we're just tucking you in  
We listen to you breathing  
What a beautiful sound  
Two thirty AM, you're waking us up once again  
You cry cause your hungry  
What a beautiful sound

### *Chorus*

Like rain on a tin roof  
Like crashing waves  
Like rustling leaves on an autumn day  
May the music of your life  
Be a hymn of praise  
To the One who made you  
To make beautiful sound

### *Verse 2*

Sunday afternoon, I sit and make faces at you  
And you can't stop laughing  
What a beautiful sound  
You point at the moon, I sing you a lullaby tune  
Then you sing it with me  
What a beautiful sound

### *Verse 3*

Eight thirty PM, and we're just tucking you in  
You whisper "I love you"  
What a beautiful sound  
You kneel by your bed, bowing your hands and your head  
While you pray to Jesus  
What a beautiful sound
