

## **Hymn to the Trinity**

Words and Music by Benjamin Johnson ©2010

### *Verse 1*

All hail the glorious creator God the maker of all things  
All hail the Alpha and Omega, and all that comes between  
All hail the Spirit Counselor who wrestles with our souls  
The breath of God, the Holy Fire, the One who makes men whole!

### *Chorus*

Glory! Hallelujah!  
Worthy are You alone.  
No one is there beside You.  
You are King of Kings and Lord of Lords  
You are God alone.

### *Verse 2*

All hail the Power to be the witness, of the Eternal King  
All hail the One who hears from heaven, and meets our every need  
All hail Jesus the Lamb of God, who died and rose again  
Immanuel, the Word made flesh, forgiver of our sins!

### *Verse 3*

All hail the Suffering Servant, only Son, the One who paid the cost  
All hail the Promised end time Gift poured out on Pentecost  
All hail the Father, Three in One, in Him is only light  
The God of Love, the gracious Judge, His every ruling right!
