

I Will Run

Words and Music by Benjamin Johnson ©2010

Verse

You say "seek my face"
Oh Lord, Your face I will seek
You say "come after me"
And with abandon I run to You

Prechorus

Ever since the day
When You set me free
I have heard Your Spirit
Calling out to me

Chorus

I will run
I will seek
I will hide myself in You
You alone are my desire
I'm the bride
You are the groom
I feel Your love and I'm consumed
You have set this heart on fire
You have set this heart on fire
