

The Costly Sacrifice

Words and Music by Benjamin Johnson ©2010

Verse 1

It would be easy for me to give a little
To give you just a drop from my excess
It would be easy for me to cry a few tears
But never reach the place of brokenness

Prechorus

But You say that all other loves must seem to me as hate
When set beside my love for You

Chorus

I will not sacrifice anything that costs me nothing
So take the things that I hold dear
And everything I love
I will not lay what's second best upon Your altar
I'll give You everything You're worthy of

Verse 2

Sometimes it's easy, to just receive Your message
But fail to share it with a world that's lost
I love your blessings, and everything you give me
But am I willing to take up Your cross?

Verse 3

I know its easy, to worship You on Sunday
But fail to live the life You've called me to
Lord please forgive me, for giving You my refuse
I lay my treasures down now Lord for You
