

Wholly Yours

Words and Music by Benjamin Johnson ©2010

VERSE 1

Every song I sing, every offering
Every praise I bring
Belongs to You and You alone
Yes, they are Yours and Yours alone.

VERSE 2

Lord these lifted hands, every time I dance
Every bended knee
Belongs to You and You alone
Lord I am Yours and Yours alone.

CHORUS

So take me, into your arms
And break me, if that's what it takes
Lord, teach me how to be wholly yours.
Yes I want to be wholly Yours

VERSE 3

Lord of everything, come and be my King
I will gladly bring
This life to You and You alone
Lord my life's Yours and Yours alone

CHORUS 2

Jesus, You loved me when I was unworthy
You bought me and made me Your own
Now I love to be wholly Yours
Yes I love to be wholly
